About Us

A uniform is a kind of garment worn by a group of people in a particular organization. This organization can be a school, hospital, factory, or anything else. Our business entity, Meera Apparels, is engaged in the production of a huge variety of uniforms. We are considered a leading manufacturer, and supplier of Industrial Boiler Suit, Industrial Worker Uniform, Cold Room Coverall, Cold Storage Wear Cold Resistant Suit, Cotton Hospital Nurse Uniform, Non Woven Surgical Gown, and a lot more. The skilled weavers of our enterprise manufacture each and every product with foremost precision. They use premium-quality fabric and other related items like buttons, zips, hooks, etc. We get all of our base material from reputable and experienced market vendors. The quality of all the products is well-checked before they are added to our collection. Furthermore, our strong marketing policies have helped us gain many customers over the years. These help us increase brand awareness and widen our reach.

Incorporated in the year 1998 in Bengaluru, (Karnataka, India), our business unit, Meera Apparels, deals in a huge variety of garments. Our range of products includes Disposable Non Woven PPE Kit, PP SMS And SSMMS PPE Kit, Cooperative Salesman Uniform, Formal Staff Uniform, School Trousers, Automobile Safety Suits, etc. Within a few years of our establishment, we have successfully managed to become a top-notch manufacturer and supplier of standard-quality apparel. We have gained this position just because of the hard work and efforts of our team members. Our quality controllers examine the product on multiple parameters. They allow only those products to be delivered into the market that is able to qualify for all the quality tests. With us, customers can avail themselves of a huge range of apparel at very reasonable prices.
